**2021 Mourvèdre Rosé**  
Santa Clara Valley

**Location:** Mourvèdre sourced from our estate vineyards in the Santa Clara AVA located in the Central Coast. Clone 4 on rootstock SO4, planted originally in 1990.

**Winemaking:** The grapes were hand harvested and whole bunch pressed on a gentle cycle. The juice was allowed to undergo a cold settling for several days then racked off lees. Cool fermentation lasted 15 days in stainless steel tanks. The wine was then allowed to age in stainless steel for four months prior to bottling.

**Tasting Notes:** Aromas of fresh rose petals, sweet strawberries, raspberries and cream. On the palate this wine has similar flavors of berries, lemon zest with long lasting acidity and well balanced structure. This wine is light pink in color while very bright and lively out of the bottle.

**Pairing:** Our Mourvèdre Rosé is a great way to start a meal or can also be enjoyed on its own. It has the weight and structure which would work well with cheese and charcuterie. It would also pair well with delicate soups, pasta dishes with tomato based sauces. It could easily transition into chicken or pork dishes because of its structure and acid back bone.

**Cases Produced:** 222 cases

**Technical Data:**

ABV 11.5%

pH 3.25

RS: 1.5g/l
